PROPERTY ADDRESS

5900 Pruitt Avenue
#110
Windsor, CA 95492

COMMERCIAL TYPE: Industrial AVAILABLE: 5/1/26

DESCRIPTION

21,513 SF heavy industrial warehouse space just off Hwy 101 north of Santa Rosa. Equipped with a variety of electrical options including 480 3-phase.

Other interior features a water stub, energy-saving motion lighting, and fire sprinklers for safety and convenience. The warehouse also boasts a 12,000 lb capacity overhead crane and two 16' roll-up doors, facilitating easy movement of goods and equipment as well as material production.

The front-facing separate office large space provides a dedicated area for administrative tasks and company meetings. The warehouse is complete with concrete floors for durability and an overnight security patrol for added peace of mind. A personnel door is also included for easy access.

This industrial warehouse is a turnkey space for businesses seeking a versatile and secure environment.
